

Virtual Preschool/Pre-K Classroom

Fall Brook is going virtual in the classroom, a safe and engaging area in learning materials for preschool and pre-k especially for the children going into kindergarten as screening is just around the corner. We came up with a learning engagements and materials for your child to learn, so they do not miss out on any education at this time of our health crisis. We even have tab for kids exercise to move around and tab for controlling anxiety.

Materials in google classroom

- *week by week topics
- *worksheet that can be edited/ answered digital without printing
- *video books with extension activities
- *gross motor videos and activities
- *open communication
- *Activities following our Curriculum frameworks Reading, ELA, Science, Technology, Engineering, Mathematics, Social Studies, Arts
- *family activities
- *cooking lessons
- *family resources etc....

parents who are working from home have an opportunity for their children to engaged at child friendly virtual classroom/ minimal parent involvement

COST FOR THIS PROGRAM IS \$40 MONTHLY UNLIMITED ACCESS AND WEEKLY ASSIGNMENTS/TOPICS

Invest in your Children's education
